The Barwon Regional Aged Care Assessment Service is a multidisciplinary team that focuses on maximising and improving the client's functioning whenever possible.

The team includes Geriatricians, Medical Officers, Assessment Nurses, Occupational Therapist & Physiotherapist.

Team members visit clients in their own home, hospital or residential care to discuss their care needs such as:

- The network of services to maintain a person in their own home
- Respite Care – In Home Respite or in Residential Care
- Community Aged Care Package (CACCP)
- Extended Aged Care at Home (EACH)
- Extended Aged Care at Home - Dementia (EACHD)
- Residential Care
- Sub-acute inpatient care
- Geriatric Evaluation & Management Packages (GEMMP)
- Inpatient or outpatient rehabilitation
- Transition Care (direct from hospital only)

For information, advice and referral, one of the team members is available from 9.00 am to 4.30 pm, Monday to Friday and can be contacted on (03) 5279 2246.

If you wish to discuss any issues of your assessment or care plan your contact person is:

In discussion with you on / / the agreed Care Plan is:
