

TRANSITION CARE TENDER

Tender submissions are sought from residential aged care service providers to establish an arrangement with Barwon Health for the provision of transition care services, in a bed based setting. Barwon Health requires the provision of up to 21 residential transition care beds within 15kms of The Geelong Hospital, located at Ryrie Street, Geelong.

The Transition Care Program targets older people who require more time and support in a non hospital environment after a hospital admission.

Please register your interest for this tender by 28 May 2010 by emailing **tenders@barwonhealth.org.au** for a copy of the tender document. Registration of interest will not be taken as a guarantee that a tender will be submitted.

Interested parties are invited to submit a Tender by **3PM on 11 June 2010**. Late, facsimiled or electronic submissions will not be accepted.
