ACADEMIC SKILLS PROGRAM: A Free 10 Session Training Program Introducing Essential Research Skills

Barwon Health staff, students and affiliates are invited to attend a research training program developed by the Research Directorate, the Library and Centre for Quality and Patient Safety Research. The program offers ten sessions focused on topics identified through staff feedback and survey responses. Participants can attend any or all of the fortnightly, one hour, lunchtime sessions.

The 10 week program will be offered twice in 2018. Round 1 for 2018 will be held at the **McKellar Centre, DeForest House-meeting room 1**.
