# TEAM LEADERS MONTHLY REPORT

Happy October to you all hope everyone is well.

Congratulations to Lorraine G, Floris D and Clarel D they were this year's footy tipping winners, great effort and well done!

We are offering a free movie day on Wednesday 5 October at Reading Cinema Waurn Ponds for our clients, the movie stars Julia Roberts and George Clooney. It's a light heartened story packed with

lots of laughs and is appealing to all. We do have a cap on numbers so clients please inform

staff if you would like to attend, this opportunity is open to any client that attends any of our days.

Also this month we will be visiting the Geelong Show, this will be a Thursday. Many activities and outings have been planned for this month so remember to dress for the weather and bring a hat and drink bottle.

Enjoy October and join in the fun, if you would like to chat about anything, I am always available.

Till next month,

Julie.
