Please email a copy of this form and your Remittance Advice to REGI@barwonhealth.org.au

All fees are payable upon submission from 1 July 2021. Once payment is made the submission will be allocated for review. Queries can be emailed to REGI@barwonhealth.org.au

Internal use only: Cost centre – P0904 Account Code - 58101

Fee structure

The fees charged represent only partial recovery of the total cost of providing ethical and governance oversight. Fees have been set based on the total (staff and other) resources required to review a new research project upon submission and then to monitor and manage it over its lifetime.

- » Barwon Health will charge either an Ethics Review fee or a Governance (SSA) fee in accordance with the payment schedule above
- » Fees are payable at the time of submission

New Projects

Investigator-initiated CTN clinical trial – commercially supported:	Funding and/or investigational product provided by pharmaceutical or device company
Investigator-initiated CTN clinical trial – not commercially supported:	Funding obtained from a source other than a pharmaceutical or device company, e.g. NHMRC, NIH, hospital, collaborative group.
Investigator-initiated research project – commercially supported	Funding provided by commercial entity, e.g. pharmaceutical, device, biotech companies.
